

How to transition existing eCenter accounts to the new site

Existing users from the old eCenter site will be required to transition their accounts to the new site. Once the account transfer is completed, an email will be sent to the email address on the account transition page. It is recommended that users change their temporary passwords after first login. Follow instructions at the end of this document to change passwords.

Using your computer's browser, go to the new eCenter site <https://eCenter.ee.doe.gov>

1. Click on the Sign In link at the top right hand corner of the site
2. Click the link "Create an account or transfer existing eCenter account" on the sign in page
